Madhya Pradesh

DO Letter No: *IDSP/180*
Bhopal, Dated : *04.03.2020*

Dear, *Sir,*

I would like to draw your kind attention to the current situation of Novel Corona Virus (COVID-19) disease in China & other affected countries. WHO declared "Public Health Emergency of International Concern". Till now it has spread to 72 countries already.

Humans get the infection either in the affected countries or when they come in close contact with may infected person. As know here is no vaccine or definite treatment available for this disease. The preventive measures to control the disease include early detection, isolation, contract tracing and monitoring of asymptomatic suspected cases.

I would like to request you kindly to depute police personnel in assisting the district administration caring out various measures to be taken in this matter. The relevant guidelines are enclosed with this letter.

with respectful regards,

Sincerely,
P. Jain

Dr. Pallavi Jain Govil *4/3/2020*
